

# Rediscovering Horsemanship Clinic With Heidi Potter

## Positive Reinforcement Training & Horse Agility

### Plumwood Arabians-Altoona, Florida

### **Positive Reinforcement Training** *Change or Retrain Undesirable Behaviors* **Saturday, March 4th 9-5:00**

Replace fear with fun! Discover how Clicker Training will open up a pathway to more fun, safe and enjoyable interactions with your horse. Learn how to retrain or change undesirable behaviors or fears using only positive reinforcement based training.

Help your horse learn to: calmly trailer load, accept obstacles, stand quietly for vaccinations, being sprayed, oral applications, mounting and bridling. Learn the steps to teaching some tricks for "playtime" too. The list goes on and on and the possibilities are endless!

### **Horse Agility** **Sunday, March 5th 9-5:00**

Agility is a fun way to improve your horsemanship skills, your confidence and your horse's confidence. Its principals promote safe, respectful and enjoyable partnerships. The day begins with skills training, progress to obstacle play and finish up with a fun, judged competition.

**Register before January 25 & Save \$50!**
