Intro to Western Dressage
Sunday, January 8, 2017
9:00am-4:00pm

No Experience Needed!

Join us to see how Western Dressage can improve the overall performance, soundness & fitness of your horse.

- 🐾 Learn why Dressage is important for all horses and all styles of riding .
- 🐾 Learn how to slowly and correctly help your horse become more supple, soft and well-balanced.
- 🐾 Improve your riding skills through use of the Centered Riding® Basics .

Intro to Relationship Training
Monday, January 9, 2017
9:00am-4:00pm

This special day of groundwork is dedicated to improving the overall relationship you share with your equine partner. (Based on the methodology of Piet Nibbelink)

- 🐾 Discover what your horse needs from you in order to feel safe and establish trust.
- 🐾 Improve your awareness and mindfulness while interacting with him at liberty in the picadero (square pen).
- 🐾 Learn how to read his body language and improve your own.
