Positive Reinforcement Training
Changing or Retraining Undesirable Behaviors

No Drama-No Force-No Wrestling!

**Join us for a fun day of learning and sharing.
Clinic horses available-No need to trailer in. You
will learn the skills needed to:**

- **Replace fear with fun and create a willing, interested, motivated horse.**
- **Discover how Clicker Training can completely change your horse's association to things that frighten him such as; vaccinations, being sprayed, obstacles or trailer loading.**
- **Understand how *YOU* affect your horse's behavior.**
- **Enhance your understanding of what your horse needs from you.**
- **Teach your horse tricks so that you can include something fun in every interaction.**
