

2017 Heidi Potter Horsemanship Clinic

Rediscovering Your Horse

Gaining Confidence & Building Trust

Hosted by the Yankee Walkers August 16-18

Horse & Human struggle.....

Horse becomes calm, willing & obedient just a short time later☺

Improve Comfort, Confidence & Communication!

This unique 3- day clinic was designed to help create more mutually respectful, safe, enjoyable relationships with your equine partner.

Each day begins in the classroom, proceeds to groundwork with horses and finishes with mounted application. This progressive format allows for true growth and positive changes.

Here's what's happening:

Positive Reinforcement Training

Clicker Training without the Clicker☺

- Safely retrain unwanted behaviors
- Overcome fear issues
- Teach fun tricks for playtime

Ground Skills Training

- Improve your horsemanship skills
- Understand what your horse is saying
- Increase your self-awareness & mindfulness

Mounted Sessions

- Improve communication, comfort & balance
- Develop mutual trust & improve confidence of both horse & human

Clinic Location:
