Finding True Center

2-Day Centered Riding/Holistic Horsemanship Clinic

Saturday-Sunday, October 14-15 9-5:00

A Fun, Informative & Enlightening Experience!

This clinic is designed for horse enthusiasts wishing to develop a better understanding of their horse and improve their riding skills. We welcome all breeds and all levels of riders, from walk/trot pleasure riders to seasoned competitors.

On The Ground

Learn a Holistic approach to horsemanship, one focused on understanding and self-awareness. Discover new ways to read your horse and communicate back to him in a way that he can best understand. This style of training will help lead you to a more safe, respectful and enjoyable relationship with your equine partner.

In The Saddle

Equestrians of all styles of riding are invited to discover how the Centered Riding Basics leads to improved comfort, relaxation, confidence, communication & balance.
