## An Inspirational & Educational Equine Experience!

*Open your mind and heart to discover the true language of the horse.*

This unique clinic is about bringing enrichment to the relationship shared between horses and humans. It will:

- Deepen your understanding of equine behavior and the subtleties of their communication system.
- Offer you lessons in mindfulness and self-awareness to enhance the relationship you share with horses.
- Allow you to experience the difference becoming more grounded and centered makes to the horse.

The weekend includes workshops in theory, interactive exercises with humans, herd observation, sharing space with horses at liberty and in-hand application.
