Get Ready to Ride! Improve Comfort, Confidence & Communication!

This unique 3- day clinic is designed to help create more mutually respectful, safe, enjoyable relationships with your equine partner.

Friday & Saturday include classroom theory, interactive exercises, in-hand skill building and mounted application. Sunday is a “Riders Choice” day consisting of individual mounted or unmounted sessions. This progressive format allows for true growth and positive changes.

Topics Include:

- **Enriching your horsemanship skills using Sharon Wilsie’s Horse Speak methods, designed to improve awareness and understanding of what your horse needs from you.**
- **Positive Reinforcement Training (Clicker Training without the Clicker ☺) to help safely retrain unwanted behaviors and overcome fears.**
- **Obstacles Training to enhance communication, and confidence.**
- **Mounted sessions to improve comfort, confidence, balance & communication.**
